

Latest Breaking News: March 12, 2008

This quote was taken directly from the Town of Surry NH Annual Town Report for the year ending 12/31/07 under the 'Surry Police Report':

“The MC2 program currently residing in the Surry School has provided us with several felony level criminal cases. Most of which have been solved. We have also received numerous traffic related complaints about the students driving habits, which for the most part have been addressed.”
